

20 20 ANNUAL COMMUNITY REPORT

SMART & CARING COMMUNITIES

PRESIDENT'S MESSAGE

On behalf of the Board and Staff of the BC Interior Community Foundation (BCICF), I am pleased to share this 2020 Annual Report. Whether as a Member, Fund-holder or Donor, our supporters come from all walks of life. The thread that binds us is our shared commitment to an improved quality of life for residents throughout communities in the Thompson – Nicola and South Cariboo regions.

Our impacts are broad and significant. For 2020, we dispersed \$336,834 across our communities. Of that total, \$35,890 was allocated to scholarships / bursaries, and, nearly \$67,000 in Community Project Grants. Whether funding educational aspirations or supporting charitable agencies in their program delivery and operations, we are committed to being responsive and equitable.

In addition to our core service delivery in 2020 the BCICF was asked to support the rollout of the federal Emergency Community Support Fund (ECSF) within our region (adjudicating and distributing nearly \$220,000 in federal grant dollars to help offset impacts from the COVID 19 pandemic). The Stollery Charitable Foundation and Vancouver Foundation also continue to be key partners in funding important local projects. We are grateful for their respective support.

One of the key features of our continued success, is our competitive value for service – only a 1% commission is charged for BCICF administration – and that fee is levied on the annual, earned interest only, never the endowed principal or donations. Value, Integrity and Impact – again, Thank You for the continued support of your Community Foundation!

~ Rob Lemire, President

TESTIMONIALS

“The Library Learning Commons project has transformed the school library into an exciting place for reading, writing and learning collaboratively. A variety of moveable furniture and equipment make the space versatile, allowing for multiple configurations for a variety of school and community purposes. This great space promotes a love of exploring, thinking, rethinking, innovating and creating, and encourages critical thinking while also helping students to develop their communication skills for working with others.”

~ South Sa-Hali Elementary School Parents Advisory Committee

“I want to say thank you so much for supporting my university education and more broadly the youth in the Kamloops Community. I plan on attending University of British Columbia and will also be playing on the varsity rugby team. This scholarship will go a long way towards paying tuition, allowing me to focus more on athletics and academics. Thank you again.”

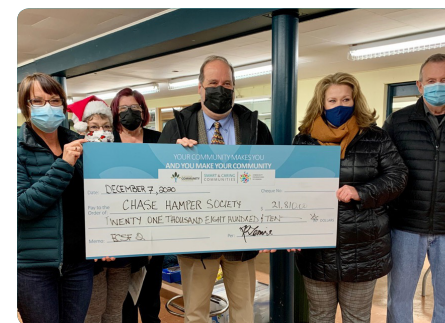

~ Halle Smith, Don MacKenzie Memorial Fund Scholarship Recipient

“Our child has an invisible disability, which masks so much of the everyday challenges he faces. At 11, he had never been able to go to a sleep over camp due to his impulse issues and developmentally younger abilities. He would cry that he didn't get the same opportunities as his more typical older sister. This was such a cherished opportunity for him! And we have definitely seen his spirits and confidence rise as a result. Thank you, thank you, thank you.”

~ Parents of a Zajac Camper

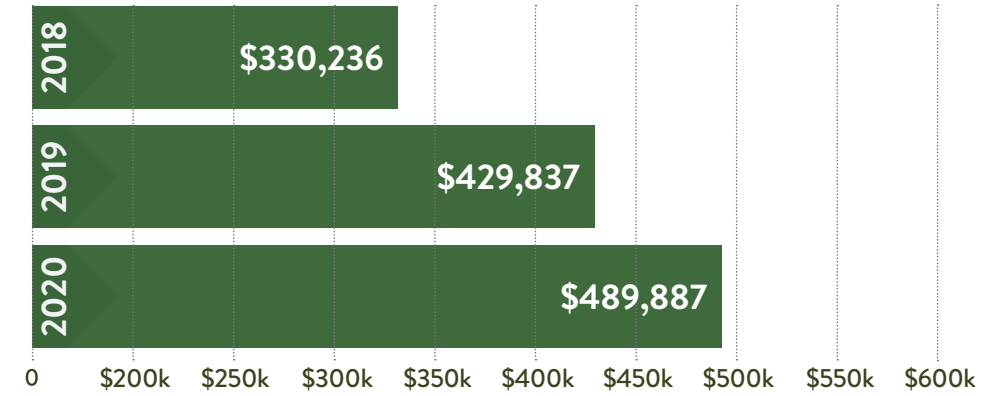

“I am very grateful and thankful for this support to my education. Because of this bursary, I am able to focus more on my studies and less on work. I am looking forward to my first year at university and becoming a teacher. I am one step closer to achieving my education and career goals.”

~ Jasmine Carr, Howling Coyote Education Fund Bursary Recipient
